

Name _____

Date _____

PROJECT PUMPKIN

ESTIMATION

Make an estimate, an educated guess, for each of the pumpkins.

	PUMPKIN A		PUMPKIN B		PUMPKIN C
Weight		Weight		Weight	
Circumference		Circumference		Circumference	
# of Seeds		# of Seeds		# of Seeds	

ACTUAL DATA

Use your math tools and skills to collect data for each of the pumpkins. Remember to be as accurate as possible and double check your work. This information will be shared with other classes.

	PUMPKIN A		PUMPKIN B		PUMPKIN C
Weight		Weight		Weight	
Circumference		Circumference		Circumference	
# of Seeds		# of Seeds		# of Seeds	

OPTIONAL: On the back of your paper, sketch the three pumpkins.
